

## Storage Container (350ltr) - PSB1

### PRODUCT OVERVIEW

Backed by our 3 year guarantee

Rotationally moulded from medium density UV stabilised polyethylene, this container is suitable for use with liquids or dry powders. It has fork channels for easy movement and a push fit lid, optional lock and hinge kit PSB1LH is available to provide a more secure lid if required. If you require a lockable lid please order at the same time and we will fit prior to shipping.

 100% polyethylene for chemical compatibility

 UV Stabilised

You will require an appropriate size/capacity fork lift truck to offload this item from the delivery vehicle. Our standard delivery doesn't include any offloading.

PSB1LH is an optional lock and key set for both the PSB1 and PSB1W
